Register once and gain access to every iQ Virtual Series event.

Because connecting and learning are always important, QS/1 and Integra have created this all-new, ongoing virtual series. We are excited to unite our dedicated customers because we believe we are smarter, stronger, and better together.

Each iQ Virtual Series occurs on Live Wednesdays over a three-week period, so you get short, targeted learning opportunities while minimizing time away from running your pharmacy.

Smarter Together

How Virtual Works

The iQ Virtual Series allows you to progress without interrupting your daily operations. Each event is free for attendees and runs for 2-3 hours every Live Wednesday.

How does it work?

You can enter the event on your desktop, smartphone, or both!

Desktop

1. Visit iqvirtualseries.com.
2. Register.
3. Receive an email with login and password credentials.
4. Login at iqvirtualseries.com.
5. Enter the event.
6. Select your classes and explore the site.
7. Join on Live Wednesdays to attend.

Smartphone

1. Visit iqvirtualseries.com.
2. Register.
3. Receive an email with login and password credentials.
4. Go to the app store on your phone.
5. Search for iQ Virtual Series.
6. Download the app.
7. Login using your email and password.
8. Enter the event.
9. Select your classes and explore the site.
10. Join on Live Wednesdays to attend.

What technology do I need?

All you need is a desktop computer **OR** smartphone.

If using a desktop and you want to dive deeper into private virtual meetings, you will need a web camera and microphone. If using a smartphone, this functionality is built in.
